Dear Paul:

I am writing to express my appreciation for your company's high level of professionalism.

In the real estate field, it has been difficult to find quality contractors that can get the job done using straightforward pricing and honest project assessments. I have worked with all types of vendors and would like your customers to know that Schick Construction delivers superior service in a timely fashion.

We have worked together since 2004 and look forward to many more years of projects.

Sincerely,
